EDUCATION

University of Mumbai – Thadomal Shahani Engineering College (TSEC)   Mumbai, India
2022-2026

SKILLS

- Programming: C, Java , JavaScript
- Web: HTML, CSS, JavaScript, Node.js, Express.Js, React.js, Tailwind CSS
- Databases: MySQL, MongoDB
- Tools: Git, GitHub

PROJECTS

CineVerse Github VercelLink

- Designed and developed using MongoDB and Express.js, enabling user authentication, profile updates, video uploads, and cover image management.
- Implemented features for comments, like/dislike interactions, and playlist management. Developed an efficient video search and filtering system. Followed best practices with RESTful APIs and middleware for authentication and error handling.

Twits Vercel Link Github Link

- Developed a full-stack social media application ('Twits') using React.js and Appwrite.
- Implemented user authentication, post creation with text and image support using TinyURL API, global feed, and CRUD functionality for post management.
- The responsive design ensures seamless user experience across devices. This project showcases proficiency in React.js, backend integration with Appwrite, and third-party API utilization

ACHIVEMENTS

3x Hackathon winner

- Winner at Minithon 2.0, we created a sustainable urban farming platform with an AI voice assistant.
- Winner at Hackwarts, we developed Apna Rakshak, a smart security system featuring smart routing, an accident dashboard, an admin panel to manage complaint statuses, and AI criminal detection for repeat offenders.
- top 3 position in SPIT Minithon, held in collaboration with IIIT Bhubaneswar.

JavaGenix

- Winners of JavaGenex, an exhibition of Java FullStack Desktop Applications at TSEC.
- Developed a full-stack app for Kirana owners to streamline operations.
- Features include real-time inventory management, employee and supplier details, billing, and profit analysis tools.
- Tech Stack: Java, Swing (GUI), MySQL, itextPdf.

EXTRA-CURRICULAR

IETE-TSEC

- Junior Committee Member at IETE-TSEC. Responsible for hosting the annual hackathon Newbiethon
- Skills : Design, Marketing, Technical.
